Area Codes

- The Key to Faster Long-Distance Service -
The United States and Canada are divided into more than 120 telephone areas, each identified by a three-digit area code.

You will find that your Long-Distance calls go through faster if you give the Operator the area code and the number. The area codes for many points are listed below. For example, just say, "Area Code 311-555-2368." If the Operator needs to know the name of the place you are calling the Operator will ask you for it.

LATAs

Long-Distance Calling

Your local telephone company offers long-distance service within a specific geographic area referred to as the Local Access Transport Area or LATA. Below is a map of the State of Texas which indicates the various LATAs. West Texas Rural Telephone Cooperative's long distance service area is within the Amarillo LATA as indicated by the shaded area on the map.

The Public Utility Commission of Texas has directed all local telephone companies to give residential and business customers the option of selecting an intraLATA (local toll) 1+ and O+ long distance company other than the local telephone company. With this change, customers now have the option of selecting a long-distance company for intraLATA 1+ and O+ calling.

You may now select one company for your intraLATA calls and another company for your interLATA calls. Many companies will offer both intraLATA and interLATA service, so you may have the option to select the same company for all of your long-distance calls. A list of long-distance companies that are available may be obtained by contacting our business office. Questions regarding these companies' rates and services can be obtained by contacting the long-distance companies directly.

You may also make calls using a long-distance company other than the one you have selected to handle your 1+ calls by dialing the appropriate 7-digit access code (101XXXX) for that company. You will need to establish an account with each long-distance company you wish to use. Each long-distance company can provide you with their seven-digit access code as well as their company-specific rates.

Types of Long-Distance Calls

The following types of long-distance calls are available through West Texas Rural Telephone Cooperative for calls that are within the Amarillo LATA. Information about the types of calls available other than West Texas Rural's can be obtained by contacting your selected long-distance company.

Station-to-Station

Direct Distance Dialed (DDD) calls are station-to-station calls. Call station-to-station if you'll talk with anyone who answers. Rates are lower than for person-to-person calls and charging begins when the telephone you've called is answered.

Person-to-Person (Dial Operator)

Call person-to-person when you wish to talk with a particular person or extension. Tell the Operator you wish to make a "person-to-person" call and give the Area Code for the city you want, the telephone number, and the name of the person you are calling. Rates are higher than for station-to-station calls. Charging starts when conversation begins with the person you've called.

Collect (Dial Operator)

You can dial "collect" if the person or firm you're calling agrees to pay the charge. If you want to make a "collect" call, tell the Operator and give the Area Code for the city you want and the telephone number.

Conference (Dial Operator)

You can talk with several people in different places at the same time. Dial Operator and request to make a conference call.

Mobile, Marine and Overseas Service

You can make Local and Long-Distance calls to automobiles, trucks, trains, aircraft and boats equipped for telephone service and to practically all the world's telephones. Some Mobile and Marine calls can be completed by dialing, others must be completed by the Operator.

Bill to the Third Number

Customers may place calls and transfer the charge to another telephone. This service requires "OPERATOR" assistance. The call may be either station-to-station or person-to-person.

Calling Card

A telephone calling card is a convenient way of making Long Distance calls when away from home. To apply for a calling card, call your long-distance carrier.

Coin Calls

From coin telephones, see the instruction card on or near the telephone, or dial "OPERATOR".

You will not be charged:

- If the telephone you called is busy or does not answer.
- If you hang up before dialing the complete number.

You will be charged:

- If your call is answered by an answering machine.
- If your call accesses a cellular tower.
- If you call a paging number.

Direct Distance Dialing

With Direct Distance Dialing (DDD), you can dial your own station-to-station long distance calls. To make Direct Distance Dialing possible, the nation has been divided into more than 275 geographic areas. Each area has its own three-figure "Area Code," (see map on page 7). You probably can obtain the area code of the place you are calling by checking the map. If the map does not clearly show the area code you want, and it is not listed in the introductory pages of your directory, call the operator to request the area code.

Your Rights as a Member

The following information is to acquaint you with some of the rules and practices of our Cooperative and your rights as a member.

Your Right to Inspect or Obtain a Copy of the Applicable Tariffs and Service Rules

The services provided by the Cooperative are public utility services, subject to the rules, regulations and charges set forth in its tariffs, which shall always control the provision of such communication services. In the event of a conflict between such tariffs, and the information contained in this notice, the tariffs shall prevail. The tariffs are subject to change and are available for inspection at the Cooperative's business office during office hours. The Cooperative shall provide copies of any such portion of the tariffs at reasonable cost to reproduce such tariff for a requesting party.

Upon application for residential service.

If you request to be informed of the lowest-priced service alternatives available, we will explain any alternatives available at your location, considering equipment options and installation charges, if any incident thereto.

Establishment of Credit for Permanent Residential Applicants

The Cooperative may require you, as a residential applicant for service, to satisfactorily establish credit, but establishment of credit does not relieve you from complying with the rules for prompt payment of bills.

Credit history shall be applied equally for 12 months to spouse or former spouse who shared the service. Credit history maintained by one will be applied equally to another without modification and without additional qualifications not required by another.

An applicant is to be defined as a person who is applying for service for the first time or reapplies at a new or existing location after discontinuance of service. A member is defined as someone who is currently receiving service.

All applicants for permanent residential service who are 65 years of age or older will be considered as having established credit if such applicant does not have an outstanding balance with the Cooperative or another utility for the same utility service which accrued in the last two years. No cash deposit will be required of such an applicant under these conditions.

Deposit is waived for victims of family violence that present an authorized "Waiver of Telephone Deposit Letter".

The required deposit shall not exceed an amount equivalent to one-sixth of the established annual billings.

Circumstances under which we may require a deposit or an additional deposit from Residential Members:

During the first 12 months of service, a new deposit requirement may be calculated, and an additional deposit may be required to be made within 10 days after issuance of written notice of termination and a request for an additional deposit, if your actual usage is three times your original estimated usage (or three times the average usage exceeds \$150 and 150% of the security held).

In lieu of an additional deposit, you may elect to pay the current bill in full within 10 days after issuance of written notice of termination and a request for additional deposit.

After the first 12 months you receive service from our Cooperative, you may be required to make a new deposit within 15 days after issuance of written notice of termination and a request for additional deposit:

When you have had more than one occasion during the last 12 consecutive months of service in which a bill for utility service was paid after becoming delinquent or if your service was disconnected for nonpayment.

If your actual billings are at least twice the amount of your original estimated usage after two billing periods and a suspension notice has been issued on a bill within the previous 12-month period.

In lieu of paying an additional deposit, you may elect to pay the current bill by the due date of the bill, provided you have not exercised this option in the previous 12 months.

Your Rights as a Member

Deposits for Weekend Residences, Temporary or Seasonal Service

The Cooperative may require a deposit sufficient to reasonably protect it against the assumed risk for weekend residences, temporary or seasonal service. These deposits shall be returned according to guidelines set out below in Requirements for Return of Your Deposit.

Business Service Applicants and Members

If the credit of an applicant for business service has not been established satisfactorily to the Cooperative, the applicant may be required to make a deposit.

The required deposit **shall not exceed an** amount equivalent to one-sixth of the established annual billings. No revenue from estimated telephone directory advertising may be used in determining the amount deposited.

A new deposit may be required to be made within 15 days after written notice of termination and a request for an additional deposit if actual billings are at least twice the amount of the estimated billings and a suspension notice has been issued on a bill within the previous 12-month period.

Amount of Interest to be Paid on a Deposit and How it is Calculated

The Cooperative shall pay interest on deposits at an annual rate at least equal to that set by the Commission on December 1st of the preceding year. If a refund of the deposit is made within 30 days of receipt of deposit, no interest payment is required. If the Cooperative retains the deposit for more than 30 days, payment of interest shall be made retroactive to the date of the deposit.

You may request payment of interest annually, or at the time the deposit is returned or credited to your account.

The deposit shall cease to draw interest on the date it is returned or credited to your account.

Requirements for Return of Your Deposit

If service is not connected, or after disconnection of service, the Cooperative shall promptly and automatically refund your deposit plus accrued interest or the balance, if any, more than the unpaid bills for service furnished. A transfer of service from one premises to another within the service area of the Cooperative shall not be deemed as a disconnection and no additional deposit will be required unless permitted by these rules or otherwise stated in the tariff.

When you have paid for service for 12 consecutive residential billings or for 24 consecutive business (commercial or industrial) billings without having service disconnected for nonpayment of bill and without having more than two occasions in which a bill was delinquent, and when you are not delinquent in the payment of current bills, the Cooperative shall promptly and automatically refund your deposit, plus accrued interest, in the form of cash or credit to your bill, or void the guarantee.

If your payment history does not meet these refund criteria, the deposit and interest may be retained in accordance with the rules requiring the deposit.

Time Allowed to Pay Outstanding Bills

The member is responsible for payment of all charges for exchange service and equipment furnished the member and toll messages (including special service billing charges) originating at the member's station, and for all toll messages received at the member's station, and for all toll messages received at the member's station on which charges have been reversed with consent of the person called.

All charges for local services and facilities are billed monthly in advance. Toll message service (including charges for special billing services) charges are due when billed. Itemized toll statements are included in each bill. When warranted, in the judgement of the Manager, special bills for Long Distance charges may be rendered and are due and payable on demand. The Cooperative will provide you with an itemization of local service charges upon written request.

All bills for local, toll and miscellaneous services are due and payable at the office of the Cooperative or at an authorized payment agency on or before the due date which is sixteen (16) days after issuance. A bill for telephone service is delinquent if unpaid by the due date. The postmark, if any, on the envelope of the bill, or an issuance date on the bill, if there is no postmark on the envelope, shall constitute proof of the date of issuance. If the due date falls on a holiday or weekend, the due date for payment purposes shall be the next workday after the due date.

How to Resolve Billing Disputes with the Cooperative and How Disputes Affect Termination of Service

The Cooperative may decline to serve an applicant until such applicant has complied with the approved rules and regulations of the Cooperative on file with the Commission governing the service applied for, or for the following reasons:

1. If the applicant's installation or equipment is known to be hazardous or of such character, satisfactory service cannot be provided.

2. If the applicant is indebted to any telephone company for the same kind of service as that applied for; provided however, that in the event the indebtedness of the applicant for service is in dispute, the applicant shall be served upon complying with the deposit requirement as provided in the Cooperative's tariff.
3. For refusal to make a deposit if applicant is required to make a deposit as provided in the Cooperative's tariff.

Failure to receive a bill and disconnect notice does not relieve the member of the responsibility for payment in accordance with the provisions set forth in the Cooperative's tariff.

If billings for telephone services are found to differ from the Cooperative's lawful rates for the services being purchased by the member, a billing adjustment shall be calculated by the Cooperative.

If the member is due a refund, an adjustment shall be made for the entire period of overcharges. If the member is undercharged, the Cooperative may back bill the member for a period not to exceed six (6) months from the date the Cooperative initially notifies the member of the amount undercharged and the total additional amount that will be due. Said amount shall be added to the next regular billing. If the underbilling is \$25.00 or more, the Cooperative shall offer to such a member a deferred payment plan option, for the same length of time as that of the underbilling.

If the member questions any long-distance charges, the calls in question may be deducted from the bill, upon notification to the Cooperative, until the charges have been verified or adjusted. The balance of the bill is due and payable by the due date.

Steps that Must be Taken Before the Cooperative May Terminate Service

In the event of failure by the member or those otherwise responsible to pay any regular bill or any part thereof, the Cooperative may discontinue service if the bill has not been paid or a deferred payment agreement entered within twenty-six (26) days from the date of issuance if proper notice has been given. Proper notice shall consist of a separate mailing or hand delivery at least ten (10) days prior to a stated date of disconnection. If mailed, the cutoff day may not fall on a holiday or weekend but shall fall on the next workday after the tenth day.

Your Rights as a Member

Grounds for Termination of Service by the Cooperative

The Cooperative may disconnect telephone service after giving ten (10) days written notice to the member for:

1. Failure to pay a delinquent account for utility service or failure to comply with the terms of a deferred payment agreement.
2. Failure to establish and maintain credit within fifteen (15) days after the Cooperative has served or mailed notice requiring the member to do so.
3. Failure of the member to reimburse, or make good to the Cooperative, a check or moneys not honored by the bank on which issued.
4. Violation of the Cooperative's rules as pertaining to the use of service in a manner which interferes with the service of others, or the operation of nonstandard equipment, if a reasonable attempt has been made to notify the member and the member is provided with a reasonable opportunity to remedy the situation.
5. Failure to comply with deposit or guarantee arrangements as required.
6. Without notice where a known dangerous condition exists for as long as the condition exists.
7. For tampering with the Cooperative's equipment.
8. Failure to pay the account of another member as guarantor thereof if the member has signed a guarantee as a precedent to service.
9. Unless a dangerous condition exists, or unless the member requests disconnection, service shall not be disconnected on a day, or on a day immediately preceding a day, when personnel of the Cooperative are not available to the public for the purpose of making collections and reconnecting service.

The Cooperative may suspend or terminate telephone service to any persons, firm, or corporation who, obtains, attempts to obtain, or assists another to obtain local or long distance message telecommunications service; by rearranging, tampering with, or making connection with any facilities of the Cooperative by any trick, scheme, false representation, or false credit device; or by or through any other fraudulent means or device whatsoever, with intent to avoid the payment

in whole or in part, of the regular charge for such service.

The Cooperative may disconnect, without advance notice, the telephone service used by a member in connection with a plan or contrivance to secure a large volume of telephone calls to be directed to such member or the telephone of any designated member at or about the same time, resulting in preventing, obstructing or delaying phone service of others.

The Cooperative may suspend or terminate telephone service to any persons, firm, or corporation who, over the facilities furnished by the Cooperative, uses or permits to be used foul, abusive, obscene or profane language, or impersonates or permits others to impersonate any other individual with fraudulent or malicious intent, or uses or permits their telephone to be used to make nuisance calls.

Services and facilities will not be furnished, or if being furnished by the Cooperative, will be discontinued to any person, firm or corporation, if any law enforcement agency, acting within its jurisdiction, advises that such service is being, or will be used in violation of the law.

Steps Necessary to Have Service Reconnected After Involuntary Termination

Service will not be restored unless or until all amounts due on the due date are paid in full including restoration of service charges or a deferred payment plan entered. The Cooperative may request the member to submit cash, money order or cashier's check in payment of bill and reconnection charges and not accept a personal check or money not guaranteed when the history of a member account warrants such action.

No allowance will be made for loss of service during the period service is disconnected for nonpayment, if payment is made and service reconnected before the completion of an order to terminate the service.

Your Rights as a Member

Deferred Payment Plan Offered by the Cooperative

The Cooperative shall offer, upon request, a deferred payment plan to any residential member who has expressed an inability to pay all of his/her bill, if that member has not been issued more than two termination notices at any time during the preceding twelve (12) months and shall not refuse a member participation in such a program on the basis of race, color, creed, sex, or marital status. If a member has not fulfilled the terms of a deferred payment agreement, the Cooperative shall have the right to disconnect pursuant to disconnection rules and shall not be required to offer subsequent negotiation of a deferred payment agreement prior to disconnection.

Prepaid Local Telephone Service

West Texas Rural Telephone Cooperative, Inc. (West Texas Rural) is pleased to notify you of **Prepaid Local Telephone Service (PLTS)**, a program that helps customers manage outstanding telephone balances and retain basic local telephone service. The Public Utility Commission of Texas has directed that we provide this service.

PLTS gives eligible customers a **one-time** opportunity to retain their local service if they are at risk of disconnection of their local service for nonpayment of telephone bills. It also allows residential customers who have been disconnected because of delinquent or unpaid bills to be reconnected. Even without entering PLTS, residential customers have the right to receive basic local telephone service if no charges are owed for basic local telephone service. PLTS is not available to business customers.

Your Responsibility

To receive this service, you must agree to receive Toll Blocking/Restriction Service, which will prevent you from making long distance telephone calls or usage-sensitive calls, which include directory assistance, call return, call trace, and auto redial. In subscribing to PLTS, you agree not to incur additional charges for long distance or usage-sensitive services. In addition, you agree not to request additional services from your local telephone carrier other than those included in your PLTS subscription. **If you violate the terms of this agreement, you can be disconnected immediately and will not be eligible to receive PLTS again from West Texas Rural.**

To subscribe to PLTS, you must also pay up to two months of charges up front. You must arrange a deferred payment plan with West Texas Rural for your outstanding local telephone charges. Payments for these charges will begin with the third billing cycle after you subscribe to PLTS. The monthly payments on this plan may not exceed \$10.00 per month or one-twelfth of the outstanding local debt, whichever is larger.

You must pay your PLTS bill by the date due.

To Subscribe

Please contact your local West Texas Rural business office during normal business hours and request PLTS. If your telephone has been disconnected and you apply for PLTS within 10 days of West Texas Rural's mailing of your PLTS eligibility notice, you will not be required to pay the reconnection charge for restoring service at that time. You will be required to pay that charge when you return to basic local telephone service. A subscription to PLTS provides these services at the monthly rate listed below. If you are eligible for Lifeline rates, your rates may be lower.

PLTS Services

- Residential Basic Local Telephone Service, Tone Dialing, White Pages Directory Listing, Toll Blocking/Restriction, Non-Published Number Service (if requested), Access to 911, Dual Party Relay Services and West Texas Rural business office

In addition to the charges for services listed above, customers will be responsible for paying surcharges or fees required by law or ordinance, including, but not limited to 911 charges, subscriber line charges, sales tax, Universal Service Fund charges, and Municipal fees. Customers are also expected to pay for Extended Area Service (EAS), Extended Local Calling (ELC) or Extended Metropolitan Service (EMS) if those services are requested and required in their area.

If you have any questions about PLTS, please contact your local West Texas Rural Telephone business office.

Selecting A Carrier

SELECTING A TELECOMMUNICATIONS CARRIER - YOUR RIGHTS AS A CUSTOMER

The Public Utility Commission of Texas has directed each telecommunications utility to provide this notice to customers regarding your rights when selecting a telecommunications utility.

Telecommunications utilities (telephone companies) are prohibited by law from switching you from one telephone service provider to another without your authorization, a practice commonly known as "slamming".

If you are slammed, you should contact your new provider - the telephone company that switched you without authorization - and request that it return you to your original telephone service provider.

Texas law requires a local or long-distance telephone service provider (telephone company) that has slammed you to do the following:

- 1) Return you to your original telephone company within three business days of your request.
- 2) Pay all the usual and customary charges associated with returning you to your original telephone company within five business days of your request to be returned to your original telephone company.
- 3) Provide all billing records to your original telephone company within ten business days of your request to be returned to your original telephone company.
- 4) Pay the original telephone company the amount you would have paid to your original telephone company if you had not been slammed.
- 5) Refund to you, within thirty business days, any amount you paid over the amount that you would have paid for identical services to your original telephone company if you had not been slammed.

Please note that once your original telephone company has been paid by the slamming company, your original telephone company is required by law to provide you with all the benefits (e.g., frequent flier miles) you would have normally received for your telephone use during the period in which you were slammed.

Complaints relating to slamming, the unauthorized change in a customer's telephone company, are investigated by the Public Utility Commission of Texas. If a telephone company slams you and fails to resolve your request to be returned to your original local or long-distance telecommunications service provider as required by law, or if you would like a complaint history for a particular telephone company, please write or call the:

Do Not Call Registries

NATIONAL DO-NOT-CALL REGISTRY ANNUAL NOTICE AND TEXAS NO-CALL LIST REGISTRATION

You now have the opportunity to add your name, address and telephone number to two "No Call Lists". By placing your name, address and telephone number on these lists, you identify yourself as a consumer who does not wish to receive telemarketing calls.

Both the federal government and the State of Texas have adopted telemarketing rules that allow a consumer to revoke or give notice to a telemarketing firm that they **cannot** be contacted by the company.

If you have already registered for the Texas "No-Call List" you must register again with the federal National Do-Not-Call Registry to be on both lists.

To register on either list for the first time, please follow the directions below.

For the federal **National Do-Not-Call Registry** you may register in two ways:

1. Online at www.donotcall.gov
2. "Register a Phone Number"
3. Call toll-free 1-888-382-1222 or for TTY, call 1-866-290-4236

Please note that you must call from the telephone number you wish to register. Subscribers may register their residential telephone number, including wireless numbers, on the National Do-Not-Call Registry by telephone or by Internet at **no cost**. The registration will take 90 days to become effective, so you can complain about telemarketing calls that you receive three months or more after your registration. Your registered telephone number(s) will remain on the list for five years from the date your telephone number is first published on the list.

If you have previously registered your telephone number and would like to remove or change your telephone number in the National Do-Not-Call database, call the toll-free number 1-888-382-1212 (you must call from the telephone number registered) or go online at www.donotcall.gov.

You may register for the **Texas No-Call List** in three ways:

1. Online at <http://www.texasnocall.com> for instant registration. The site is available 24 hours a day, 7 days a week, 365 days a year.
2. Call toll-free 1-888-309-0600 to obtain an application or to register.
3. Send a written request for an application to:
Gryphon.ai dba Texas No Call,
PO Box 674624,
Dallas, TX 75267-4624

Statewide "Do Not Call List"

There is no charge to register your residential or wireless number on the statewide "Do Not Call List." Your number(s) will remain on the list for three years. **Texas statutes and laws also prevent Texas from sharing its database with the federal database, so you need to register for both lists.**

After October 1, 2003, a consumer who receives a telemarketing call despite being on the registry will be able to file a complaint with the FCC, online by visiting the Consumer Help Center at <https://consumercomplaints.fcc.gov/>, telephone 1-888-CALL-FCC (1-888-225-5322) voice or 1-888-Tell-FCC (1-888-835-5322) TTY, or mail to: Federal Communications Commission, Consumer & Governmental Affairs Bureau, Consumer Inquiries and Complaint Division:
445 12th Street, SW,

Después de los primeros 12 meses de recibir servicio de nuestra Cooperativa, es posible que deba realizar un nuevo depósito dentro de los 15 días posteriores a la emisión de una notificación por escrito de terminación y una solicitud de depósito adicional:

SUS DERECHOS COMO CLIENTE

Cuando haya tenido más de una ocasión durante los últimos 12 meses consecutivos de servicio en la que haya pagado una factura por servicio público tarde o si su servicio fue desconectado por falta de pago.

Si sus facturas actuales son al menos el doble del monto de su uso estimado original después de dos periodos de facturación y se ha emitido un aviso de suspensión en una factura dentro del periodo anterior de 12 meses.

En lugar de pagar un depósito adicional, puede optar por pagar la factura actual antes de la fecha de vencimiento de la factura, siempre que no haya ejercido esta opción en los 12 meses anteriores.

Depósitos para Residencias de Fin de Semana, Servicio Temporal o de Temporada

La Cooperativa podrá exigir un depósito suficiente para protegerla razonablemente contra el riesgo asumido por residencias de fin de semana, servicio temporal o estacional. Estos depósitos se devolverán de acuerdo con las pautas establecidas a continuación en Requisitos para la devolución de su depósito.

Solicitantes y miembros de servicios comerciales

Si el crédito de un solicitante de servicios comerciales no se ha establecido satisfactoriamente ante la Cooperativa, se le podrá exigir al solicitante que haga un depósito.

El depósito requerido **no podrá exceder** de un monto equivalente a una sexta parte de la facturación anual establecida. No se podrán utilizar ingresos provenientes de publicidad estimada en el directorio telefónico para determinar el monto depositado.

Es posible que se requiera realizar un nuevo depósito dentro de los 15 días posteriores a la notificación por escrito de terminación y una solicitud de un depósito adicional si la facturación real es al menos el doble del monto de la facturación estimada y un aviso de suspensión sobre una factura se ha emitido dentro del periodo anterior de 12 meses.

Monto de interés a pagar por un depósito y cómo se calcula

La Cooperativa pagará intereses sobre los depósitos a una tasa anual al menos igual a la fijada por la Comisión el 1 de diciembre del año anterior. Si se realiza un reembolso del depósito dentro de los 30 días posteriores a la recepción del depósito, no se requiere pago de intereses. Si la Cooperativa retiene el depósito por más de 30 días, el pago de

intereses se hará retroactivo a la fecha del depósito.

Puede solicitar el pago de intereses anualmente o en el momento en que el depósito sea devuelto o acreditado en su cuenta.

El depósito dejará de generar intereses en la fecha en que sea devuelto o acreditado en su cuenta.

Requisitos para la devolución de su depósito

Si el servicio no está conectado, o después de la desconexión del servicio, la Cooperativa reembolsará rápida y automáticamente su depósito más los intereses acumulados o el saldo, si lo hubiera, y fuese más que las facturas impagas por el servicio prestado. Una transferencia de servicio de un local a otro dentro del área de servicio de la Cooperativa no se considerará como una desconexión y no se requerirá ningún depósito adicional a menos que este permitido por estas reglas o establecido de otra manera en la tarifa.

Cuando haya pagado el servicio por 12 facturaciones residenciales consecutivas o por 24 facturaciones comerciales (comerciales o industriales) consecutivas sin que se le haya desconectado el servicio por falta de pago de la factura y sin haber tenido más de dos ocasiones en las que una factura se pagó tarde, y cuando no esté tarde en el pago de facturas vigentes, la Cooperativa reembolsará pronta y automáticamente su depósito, más los intereses acumulados, en forma de efectivo o crédito a su factura, o anulará la garantía.

SUS DERECHOS COMO CLIENTE

Si su historial de pagos no cumple con estos criterios de reembolso, el depósito y los intereses pueden retenerse de acuerdo con las reglas que exigen el depósito.

Tiempo permitido para pagar facturas pendientes

El miembro es responsable del pago de todos los cargos por el servicio de cambio y el equipo proporcionado por el miembro y los mensajes de cargo (incluidos los cargos de facturación de servicios especiales) que se originan en la estación del miembro, y para todos los mensajes de pago recibidos en la estación del miembro, y para todos los mensajes de pago recibidos en la estación del miembro en los que se han revertido los cargos con el consentimiento de la persona llamada.

Todos los cargos por servicios e instalaciones locales se facturan mensualmente por adelantado. Los cargos por el servicio de mensajes con cargo (incluidos los cargos por servicios de facturación especiales) se deben pagar cuando se facturan. Los estados de cuenta de cargos detallados se incluyen en cada factura. Cuando así lo amerite, a juicio del Gerente, se podrán rendir facturas especiales por cargos de Larga Distancia y se vencen y deben ser pagados al requerirlos. Si lo solicita por escrito, la Cooperativa le facilitará un desglose de los gastos por servicios locales.

Todas las facturas por servicios locales, de cobro y misceláneos vencen y son pagaderas en la oficina de la Cooperativa o en una agencia de pago autorizada en o antes de la fecha de vencimiento que es dieciséis (16) días después de su emisión. Una factura por servicio telefónico está en delincuencia si no se paga antes de la fecha de vencimiento. La estampilla, si lo hubiere, en el sobre de la letra, o una fecha de emisión en la factura, si no existiere estampilla en el sobre, constituirán prueba de la fecha de emisión. Si la fecha de vencimiento cae en día festivo o fin de semana, la fecha de vencimiento a efectos de pago será el día hábil siguiente a la fecha de vencimiento.

Cómo resolver disputas de facturación con la cooperativa y cómo las disputas afectan la terminación del servicio

La Cooperativa puede negarse a prestar servicio a un solicitante hasta que dicho solicitante haya cumplido con las normas y reglamentos aprobados de la Cooperativa archivados en la Comisión que rigen el servicio solicitado, o por las siguientes razones:

1. Si se sabe que la instalación o el equipo del solicitante son peligrosos o de tal naturaleza que no puede prestarse un servicio satisfactorio.
2. Si el solicitante es deudor de cualquier compañía telefónica por el mismo tipo de servicio que está solicitando; siempre y cuando, en caso de que la deuda del solicitante por el servicio esté en disputa, el solicitante será atendido al cumplir con el requisito de depósito según lo dispuesto en la tarifa de la Cooperativa.

SUS DERECHOS COMO CLIENTE

3. Por negarse a hacer un depósito si se requiere que el solicitante haga un depósito según lo dispuesto en la tarifa de la Cooperativa.

El hecho de no recibir la factura y el aviso de desconexión no exime al miembro de la responsabilidad de pago de acuerdo con las disposiciones establecidas en la tarifa de la Cooperativa.

Si se comprueba que la facturación de los servicios telefónicos difiere de las tarifas legales de la Cooperativa para los servicios adquiridos por el miembro, la Cooperativa calculará un ajuste de la facturación.

Si al miembro se le debe un reembolso, se realizará un ajuste para todo el periodo de sobrecargos.

Si al miembro se le cobra de menos, la Cooperativa puede facturarle al miembro por un periodo que no exceda los seis (6) meses a partir de la fecha en que la Cooperativa notifica inicialmente al miembro el monto cobrado de menos y el monto adicional total que se deberá pagar. Dicho monto se sumará a la siguiente facturación ordinaria. Si la facturación insuficiente es de \$25.00 o más, la Cooperativa ofrecerá a dicho miembro una opción de plan de pago diferido, por el mismo periodo de tiempo que la facturación insuficiente.

Si el miembro cuestiona algún cargo de larga distancia, las llamadas en cuestión podrán deducirse de la factura, previa notificación a la Cooperativa, hasta que los cargos hayan sido verificados o ajustados. El saldo de la factura vence y es pagadero en la fecha de vencimiento.

Pasos que se deben tomar antes de que la cooperativa pueda terminar el servicio

En caso de que el miembro o los demás responsables no paguen una factura regular o parte de ella, la Cooperativa puede interrumpir el servicio si la factura no se ha pagado o si no se ha suscrito un acuerdo de pago aplazado en un plazo de veintiséis (26) días a partir de la fecha de emisión, si se ha dado el aviso adecuado. La notificación adecuada consistirá en un envío por correo separado o en la entrega en mano al menos diez (10) días antes de la fecha establecida para la desconexión. Si se envía por correo, el día límite no puede caer en un día festivo o fin de semana, sino que caerá en el siguiente día laborable después del décimo día.

Motivos de terminación del servicio por parte de la Cooperativa

La Cooperativa puede desconectar el servicio telefónico después de avisar por escrito al socio con diez (10) días de anticipación por:

1. Incumplimiento de pago de una cuenta con pago atrasado por servicio público o incumplimiento de los términos de un acuerdo de pago diferido.
2. No establecer y mantener crédito dentro de los quince (15) días posteriores a que la Cooperativa haya entregado o enviado por correo una notificación exigiendo al miembro que lo haga dentro de quince (15) días después que la Cooperativa ha servido o mandado por correo un aviso requiriendo el cliente hacerlo;
3. Incumplimiento por parte del socio de su obligación de reembolsar o compensar a la Cooperativa un cheque o dinero no aceptado por el banco en el que fue emitido.
4. Infracción de las reglas de la Cooperativa en lo que respecta al uso del servicio de forma que interfiera con el servicio de otros, o al funcionamiento de equipos no estándar, si se ha hecho un intento razonable de notificar al miembro y se le ha dado una oportunidad razonable de remediar la situación.
5. Incumplimiento de los acuerdos de depósito o garantía fueron requeridos.
6. Sin previo aviso cuando exista una situación peligrosa conocida durante todo el tiempo que dure la situación.
7. Por alteración del equipo de la Cooperativa.
8. Falta de pago de la cuenta de otro miembro como garante de la misma si éste ha firmado una garantía como precedente del servicio.
9. A menos que exista una condición peligrosa, o a menos que el miembro solicite la desconexión, el servicio no se desconectará en un día, o en un día inmediatamente anterior a un día, cuando el personal de la Cooperativa no esté disponible al público con el fin de realizar cobros y reconexión del servicio.

La Cooperativa puede desconectar, sin previo aviso, el servicio telefónico utilizado por un miembro en relación con un plan o dispositivo para asegurar un gran volumen de llamadas telefónicas dirigidas a dicho miembro o al teléfono de cualquier miembro designado al mismo tiempo o aproximadamente; resultando en impedir, obstruir o retrasar el servicio telefónico de otros.

SUS DERECHOS COMO CLIENTE

La Cooperativa puede suspender o cancelar el servicio telefónico a cualquier persona, empresa o corporación que, a través de las instalaciones proporcionadas por la Cooperativa, utilice o permita que se utilice un lenguaje grosero, abusivo, obsceno o profano, o se haga pasar o permita que otros se hagan pasar por cualquier otra persona con intención fraudulenta o maliciosa, o utilice o permita que su teléfono se utilice para realizar llamadas molestas.

No se suministrarán servicios ni instalaciones, o si la Cooperativa los suministra, se interrumpirán a cualquier persona, empresa o corporación, si cualquier agencia de la ley, actuando dentro de su jurisdicción, avisa de que dicho servicio se está utilizando o se utilizará infringiendo la ley.

Pasos necesarios para la reconexión del servicio tras una terminación involuntaria

El servicio no se restablecerá a menos que o hasta que todas las cantidades adeudadas en la fecha de vencimiento se pagan en su totalidad, incluyendo la restauración de los cargos por servicio o un plan de pago diferido entró. La Cooperativa puede solicitar al socio que presente efectivo, giro postal o cheque de caja para el pago de la factura y los cargos por reconexión y no aceptar un cheque personal o dinero no garantizado cuando el historial de la cuenta de un socio justifique dicha acción.

No se indemnizará por la pérdida de servicio durante el período en que el servicio esté desconectado por falta de pago, si se efectúa el pago y se reconecta el servicio antes de la finalización de una orden de terminación del servicio.

Plan de pago aplazado ofrecido por la Cooperativa

La Cooperativa ofrecerá, previa solicitud, un plan de pago aplazado a cualquier miembro residencial que haya expresado su incapacidad para pagar la totalidad de su factura, si a ese miembro no se le han emitido más de dos avisos de terminación en cualquier momento durante los doce anteriores (12) meses y no se rechazará la participación de un miembro en dicho programa por motivos de raza, color, credo, sexo o estado civil.

Si un miembro no ha cumplido con los términos de un acuerdo de pago aplazado, la Cooperativa tendrá derecho a desconectarlo conforme con las reglas de desconexión y no estará obligada a ofrecer una negociación posterior de un acuerdo de pago aplazado antes de la desconexión.

SELECCIONANDO UN PROVEEDOR TELEFÓNICO SELECCIONANDO UN PROVEEDOR DE TELECOMUNICACIONES: SUS DERECHOS COMO CLIENTE

La Comisión de Servicios Públicos de Texas ha ordenado a cada empresa de telecomunicaciones proporcionar este aviso a los clientes con respecto a sus derechos al seleccionar una empresa de servicios públicos de telecomunicaciones

La ley prohíbe a las empresas de telecomunicaciones (compañías telefónicas) cambiarle de proveedor de servicios telefónicos sin su autorización. Una práctica comúnmente conocida como «slamming».

Si usted sufre esto, debe comunicarse con su nuevo proveedor (la compañía telefónica que lo cambió sin autorización) y solicitarle que le devuelva a su proveedor original de servicios telefónicos.

La ley de Texas exige que un proveedor de servicios telefónicos local o de larga distancia (compañía telefónica) que le ha cambiado a usted sin autorización haga lo siguiente:

- 1) Devolverle a su compañía telefónica original en un plazo de tres días laborables a partir de su solicitud.
- 2) Pagar todos los gastos usuales y habituales asociados a la devolución a su compañía telefónica original en un plazo de cinco días laborables a partir de la fecha en que solicite la devolución a su compañía telefónica original.
- 3) Facilitar todos los registros de facturación a su compañía telefónica original en un plazo de diez días laborables a partir de la fecha de su solicitud de devolución a su compañía telefónica original.
- 4) Pagar a la compañía telefónica original la cantidad que le habría pagado a su compañía telefónica original si no le hubieran cambiado sin su autorización.

- 5) Reembolsarle, dentro de los treinta días laborables, cualquier monto que haya pagado por encima del monto que habría pagado por servicios idénticos a su compañía telefónica original si no le hubieran cambiado sin su autorización.

Tenga en cuenta que una vez que la compañía de que le cambio sin autorización le haya pagado a su compañía telefónica original, la ley exige que su compañía telefónica original le brinde todos los beneficios (por ejemplo, millas de viajero frecuente) que normalmente habría recibido por su uso del teléfono durante el período en el que fue víctima del cambio no autorizado.

Las quejas relacionadas con el «slamming», el cambio no autorizado de compañía telefónica de un cliente, son investigadas por la Comisión de Servicios Públicos de Texas. Si una compañía telefónica le hace «slamming» y no resuelve su solicitud de que le devuelvan a su proveedor original de servicios de telecomunicaciones locales o de larga distancia, como exige la ley, o si desea conocer el historial de quejas de una compañía telefónica en particular, favor de escriba o llame a la Comisión de Servicios Públicos de Texas, P.O. Box 13326, Austin, Texas, 78711-3326. Teléfono (512) 936-7120 o en Texas (sin cargo) 1 (888) 782-8477. Las personas con deficiencias auditivas o del habla que dispongan de teléfonos de texto (TTY) pueden ponerse en contacto con la Comisión llamando al 1 (800) 735-2988.

Tenga en cuenta que es posible que tenga derechos adicionales según las leyes estatales y federales. Póngase en contacto con la Comisión de Servicios Públicos si desea más información sobre estos derechos adicionales. Además, no dude en ponerse en contacto con West Texas Rural Telephone Coop., Inc., P.O. Box 1737, Hereford, Texas 79045, (806) 364-3331, para cualquier pregunta sobre la información contenida en este aviso.

CARGOS EN SU FACTURA TELEFÓNICA

SUS DERECHOS COMO CLIENTE

Cargar en su factura telefónica productos o servicios sin su autorización se conoce como «cramming» y está prohibido por ley. Es posible que su compañía telefónica preste servicios de facturación a otras empresas, por lo que en su factura telefónica pueden aparecer cargos de otras compañías.

Si cree que este es su caso, que ha sido «crammed», debe ponerse en contacto con West Texas Rural Telephone Coop., Inc. en el (806) 364-3331 y solicitar que se tomen medidas correctivas.

La Comisión de Servicios Públicos de Texas exige a la compañía telefónica emisora de la factura que haga lo siguiente en un plazo de 45 días a partir del momento en que tenga conocimiento del cargo no autorizado:

- Notifique al proveedor del servicio que deje de cobrarle por el producto o servicio no autorizado.
- Eliminar cualquier cargo no autorizado de su factura.
- Reembolsarle o acreditarle todo el dinero que haya pagado por un cargo no autorizado; y

- Si lo solicita, facilitarle todos los registros de facturación relacionados con cualquier cargo no autorizado en un plazo de 15 días laborables a partir de la eliminación del cargo de su factura telefónica.

Si la empresa no resuelve su solicitud, o si desea presentar una queja, por favor escriba o llame al:

Comisión de Servicios Públicos de Texas,
P.O. Box 13326, Austin, Texas 78711-3326. Tel. (512) 936-7120, llamada gratuita en Texas al (888) 782-8477.
Correo electrónico es customer@puc.texas.gov.

Las personas con discapacidad auditiva o del habla que dispongan de teléfono de texto (TTY) pueden ponerse en contacto con la comisión llamando al 1 (800) 735-2988.

Su servicio telefónico no puede ser desconectado por disputar o negarse a pagar cargos no autorizados.

Es posible que tenga derechos adicionales según las leyes estatales y federales. Comuníquese con la Comisión Federal de Comunicaciones, el Procurador General de Texas o la Comisión de Servicios Públicos de Texas si desea más información sobre los posibles derechos adicionales.

BILLING ERROR RIGHTS

This statement sets out your billing error rights with respect to telephone-billed purchases made using interstate 900 pay-per-call services that are billed to you through West Texas Rural Telephone Coop., Inc.

The rights and obligations of you, the customer, and of West Texas Rural Telephone and of your long-distance carrier, who are billing entities, set out here, are provided under the federal Telephone Disclosure and Dispute Resolution Act.

This is the procedure that you must follow to notify West Texas Rural Telephone of a billing error and the steps that we or your long-distance carrier must take in response to your notice.

You must provide notice of a billing error to West Texas Rural Telephone by telephone or in writing. If you write, you should:

- (1) give us your name or the customer's name and telephone number to which the charge was billed;
- (2) tell us the date and amount of the error and the type of error you believe occurred; and
- (3) tell us why you believe it was an error.

You should contact West Texas Rural Telephone first, since we have an agreement to receive billing error notifications from customers. You may provide a notice to your long-distance carrier instead and it may ask you to contact us directly and provide to you our name, mailing address and business telephone number, even if it also sends your billing error notice to us.

A customer who orally communicates an allegation of a billing error is presumed to have provided sufficient notice to initiate a billing review.

You have the right to withhold payment of any disputed amount pending completion of our billing review and any action to collect any disputed amount will be suspended pending completion of the billing review.

If it is determined that no billing error occurred, your rights and obligations are as follows:

We will transmit to you an explanation setting forth the reasons why it has been determined that there was no error. If there was an error - even a partial error or an error different than what you asserted - your account will be adjusted appropriately. If you request, we will provide a written explanation and copies of any documentary evidence of the customer's indebtedness.

This action will be taken within two billing cycles (two months) after your notice is received. If you send your notice to your long-distance carrier instead of West Texas Rural Telephone, there may be an additional time of up to fifteen days to complete the necessary responsive action.

Your long-distance carrier will notify the provider of the service of the disposition of the billing error investigation and the reasons for that disposition.

West Texas Rural Telephone will notify you in writing, normally with your billing statement, of the time when payment is due of that portion of the disputed amount that is determined not to be in error. Payment must be made in the normal course of billing or as otherwise provided, but not less than ten days after the request for payment is made.

Once West Texas Rural Telephone and your long-distance carrier have complied with FTC rule 308.7(d) regarding a claim you make of a billing error, there is no further responsibility under that section if you continue to make substantially the same allegation.

You cannot be charged for a billing review.

The provider of the 900 service, your long-distance carrier or West Texas Rural Telephone may take action to collect the sum outstanding that is determined not to be the result of a billing error if you continue to withhold payment of the disputed amount once the billing review is completed.

Failure to pay the amount determined not to have been the result of a billing error may subject you to a collection action. If you continue to dispute any portion of your billing error claim, the fact your account is delinquent will be reported only if we also report that the amount that remains in dispute. We will tell you to whom we have made such a report, and the amount reported. If the dispute is subsequently resolved that fact will be reported to all who received the initial report that the account was delinquent.

If either we, as your billing entity, or your long-distance carrier, fails to follow the billing and collection procedures prescribed by 308.7 of the Federal Trade Commission rules implementing the federal Telephone Disclosure and Dispute Resolution Act, we are obligated to forfeit any disputed amount, up to \$50.00 per transaction.

DERECHOS SOBRE ERRORES DE FACTURACIÓN

Esta declaración establece sus derechos de error de facturación con respecto a las compras facturadas por teléfono realizadas utilizando los servicios de pago por llamada de la autopista interestatal 900 que se le facturan a través de West Texas Rural Telephone Coop., Inc.

Los derechos y obligaciones de usted, el cliente, y de West Texas Rural Telephone y de su proveedor de larga distancia, que son entidades de facturación, aquí expuestos, están previstos en la Ley federal de Divulgación y Resolución de Disputas Telefónicas (Telephone Disclosure and Dispute Resolution Act).

Este es el procedimiento que debe seguir para notificar a West Texas Rural Telephone un error de facturación y los pasos que nosotros o su compañía de larga distancia debemos seguir en respuesta a su notificación.

Puede notificar un error de facturación a West Texas Rural Telephone por teléfono o por escrito. Si escribe, debe hacerlo:

- (1) utilizar su nombre o el nombre y número de teléfono del cliente al que se facturó el cargo.
- (2) indíquenos la fecha y el monto del error y el tipo de error que cree que ocurrió; y
- (3) díganos por qué cree que fue un error.

Usted debe ponerse en contacto con West Texas Rural Telephone primero, ya que tenemos un acuerdo para recibir notificaciones de errores de facturación de los clientes. Usted puede proporcionar una notificación a su compañía de larga distancia en su lugar y ésta puede pedirle que se ponga en contacto con nosotros directamente y proporcionarle nuestro nombre, dirección postal y número de teléfono comercial, incluso si también nos envía su notificación de error de facturación a nosotros.

Se presume que un cliente que comunica oralmente una alegación de error de facturación ha proporcionado notificación suficiente para iniciar una revisión de la facturación.

Usted tiene derecho a retener el pago de cualquier monto en disputa a la espera de que finalice nuestra revisión de la facturación y cualquier acción para cobrar cualquier monto en disputa se suspenderá a la espera de que finalice la revisión de la facturación.

Si se determina que no se ha producido ningún error de facturación, sus derechos y obligaciones son los siguientes:

Le transmitiremos una explicación en la que se expondrán las razones por las que se ha determinado que no hubo error. Si hubo un error, incluso un error parcial o un error diferente al que afirmó, su cuenta se ajustará adecuadamente. Si lo solicita, le proporcionaremos una explicación por escrito y copias de cualquier prueba documental del endeudamiento del cliente.

Esta acción se tomará dentro de dos ciclos de facturación (dos meses) después de recibir su aviso. Si envía su aviso a su proveedor de larga distancia en lugar de a West Texas Rural Telephone, puede haber un tiempo adicional de hasta quince días para completar la acción de respuesta necesaria.

Su compañía de larga distancia notificará al proveedor del servicio la resolución de la investigación del error de facturación y los motivos de dicha resolución.

West Texas Rural Telephone le notificará por escrito, normalmente con su estado de cuenta de facturación, el momento en que se debe pagar la porción de la cantidad en disputa que se determine que no es un error. El pago deberá efectuarse en el curso normal de facturación o según se disponga de otra manera, pero no menos de diez días después de que se haga la solicitud de pago.

Una vez que West Texas Rural Telephone y su compañía de larga distancia hayan cumplido con la regla 308.7(d) de la FTC con respecto a un reclamo que usted haga sobre un error de facturación, no habrá más responsabilidad bajo esa sección si usted continúa haciendo sustancialmente la misma alegación.

No se le puede cobrar por una revisión de facturación.

El proveedor del servicio 900, su operador de larga distancia o West Texas Rural Telephone pueden tomar medidas para cobrar la suma pendiente que se determine que no es resultado de un error de facturación si usted continúa reteniendo el pago de la suma en disputa una vez que se haya completado la revisión de la facturación.

Si no paga el monto que se haya determinado que no es consecuencia de un error de facturación, podrá ser objeto de una acción de cobro. Si continúa disputando cualquier parte de su reclamación por error de facturación, el hecho de que su cuenta esté en tarde sólo se comunicará si también comunicamos que el monto restante está en disputa. Le informaremos a quién le hemos realizado dicho informe y el monto comunicado. Si la disputa se resuelve posteriormente, este hecho se comunicará a todos los que recibieron el informe inicial de que la cuenta estaba vencida.

Si nosotros, como entidad de facturación, o su proveedor de larga distancia, no seguimos los procedimientos de facturación y cobro prescritos por el artículo 308.7 de las normas de la Comisión Federal de Comercio que aplican la Ley federal de Divulgación y Resolución de Disputas Telefónicas, estamos obligados a renunciar a cualquier monto en disputa, hasta 50,00 dólares por transacción.
